FEEL IT

Elegant & Sophisticated Pure Sound.

Denon's Music Maniac™ On-Ear Headphones are elegant and sophisticated, and provide an audiophile-grade listening experience from a smaller on-ear form factor. Featuring 40mm drivers and tuned to a flat EQ, these headphones deliver superior sound quality no matter what you're listening to. Denon's patent-pending pentagonally-shaped memory foam ear pads and adjustable headband provide superior comfort, while our 2-axis ear cup design allows for 360-degree articulation for a perfect fit for long listening periods. The detachable non-tangle cable includes an in-line remote (for control of Apple® iPod®, iPhone®, and iPad™) and microphone for clear phone conversations when you are on the go. Further enhance your listening experience by downloading the Denon Audio app, available for Apple® iPhone®, iPad™, and Android® smartphones.

SOUNDS LIKE YOU

A new type of Denon headphone for the latest music

The latest music genres demand a new type of headphone and Denon has delivered with its AH-D340 designs. Presenting the kind of deep but controlled bass experience expected by lovers of techno, trance, hip-hop and drum 'n' bass, these radical headphones recreate the club atmosphere wherever you may be. Crammed full of proprietary Denon technology, these headphones offer a powerful audio experience that perfectly suited to contemporary music genres.

FITS LIKE YOU

Feel the music. Not your headphones

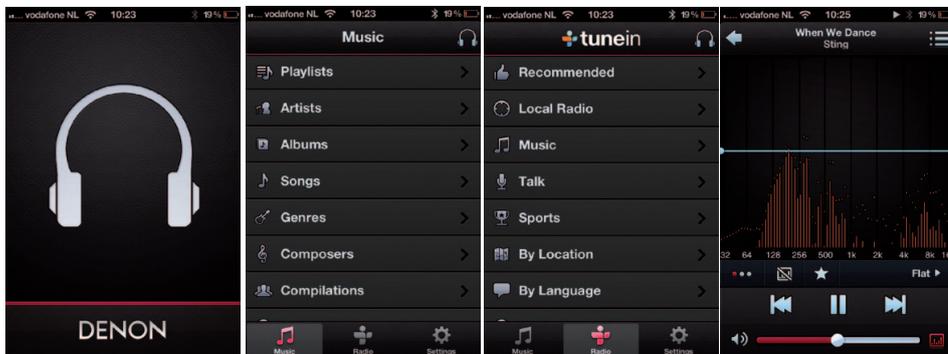

Denon's 2-Axis Ear Cup Design provides 360-degree articulation for a custom fit. Denon's Patent-Pending Pentagonally-Shaped Memory Foam Ear Pads and Adjustable Headband provide superior comfort, great fit, and noise isolation.

MOVES LIKE YOU

Cable with Integrated Remote and Microphone for on-the-go use. Denon Audio Smartphone Application to enhance the listening experience.
