## KEY FEATURES:

The HEOS 5 produces absolutely amazing sound from its stylish right-sized form factor. Enjoy streaming music from the cloud or local files using the intuitive HEOS app for iOS and Android.

Its elegant lines house four Class D digital amplifiers and four precision drivers along with a passive radiator. Sound is optimized via a suite of precision DSP acoustical processing algorithms that originated in top recording studios.

- Sleek and elegant form factor produces incredibly detailed wide range high fidelity sound
- Amazing output from a modestly sized unit
- Handle allows easy portability wherever you need great sound

- FREE HEOS app
- Stream from your favorite music service such as Rhapsody, Pandora®, Spotify or TuneIn
- Stream music stored locally on your iOS or Android smartphone or tablet
- A USB jack and auxiliary 3.5 mm analog input jack allow playback from these sources to one or more HEOS players with perfect synchronization
- Stream music from devices on your home network such as NAS drives and PC and Mac computers
- Built-in dual band wireless "N" connects to standard home wireless networks (this feature coming Aug 2014)
- Ethernet jack for wired network connectivity
- Handle allows easy portability wherever you need great sound
