

DENON

DENON DHT-S416

Home Theatre Soundbar With Google Chromecast

Upgrade your entertainment centre with Denon-engineered surround sound and music. As you would expect from the market leader in AV receivers, Denon transforms any TV into a home entertainment centre with the DHT-S416. The low-profile, wall-mountable soundbar features Dolby Digital 5.1 Decoding to create a powerful home theatre surround sound experience. Quickly connect your TV through the HDMI ARC connection and enjoy the amazing sound quality. But there is more: Stream Hi-Res Audio music from your music services over Wi-Fi including Google Play Music, YouTube Music, Amazon Music HD, Spotify, Tidal, Deezer, Qobuz, and more.

HIGHLIGHTS

YOUR BENEFITS

2.1 two-way soundbar with wireless subwoofer

Powerful, dynamic Denon home theatre sound

HDMI with Audio Return Channel

Exceptional sound clarity through one single connection to your TV – plus, control the DHT-S416 with your TV's remote

Google Chromecast built-in

Use Google Chromecast for audio to stream Hi-Res Audio music from your music services over Wi-Fi including Google Play Music, YouTube Music, Amazon Music HD, Spotify, Tidal, Deezer, Qobuz, and more

Low-profile design and wall-mountable

At 5.6 cm tall, the DHT-S416 fits in most spaces and won't block your TV's bottom edge like larger soundbars do

Bluetooth music streaming

Quickly and easily enjoy your favourite music from your Bluetooth-enabled smart device

Denon Dialogue Enhancer

Enjoy crystal-clear dialogue while watching movies and TV shows with complex audio soundtracks

Denon Pure Audio Mode

Eliminates surround processing by removing any adjusted audio characteristics for sound in its purest state

HDMI and Optical cable included

Simply connect a single cord to your TV and enjoy immersive audio for every entertainment experience

Amazing audio built on 110 years on innovation

Denon is the defining audio company of Japan. Founded in 1910, we enable the moments that matter through the relentless pursuit of quality, innovation and audio performance.

SINCE 1910 | DEFINING AUDIO EXCELLENCE

Upgrade to premium-quality sound

Carefully engineered drivers and electronics deliver the big virtual surround sound home theatre experience you expect from Denon.

Universal Compatibility

The DHT-S416 works with any* Smart, HD and 4K TVs. Use the included HDMI cable to connect your TV to the DHT-S416 via the HDMI Audio Return Channel (ARC). Using HDMI also enables control of the Denon DHT-S416 via your TV's remote control. In case your TV doesn't offer HDMI ARC compatibility, the DHT-S416 can be connected via an optical connection.

Bluetooth Music Streaming

Easily stream your favourite music directly from your smart device to your soundbar via Bluetooth.

WiFi Google Chromecast Streaming

Use Google Chromecast for audio to stream Hi-Res Audio music from your music services over Wi-Fi including Google Play Music, YouTube Music, Amazon Music HD, Spotify, Tidal, Deezer, Qobuz, and more.

Works with Google Assistant

Control your music with your Google Assistant device – play, pause and adjust volume. Use the Google Home App to group the DHT-S416 with other Chromecast-enabled speakers to play music throughout your home.

Dolby Digital Decoding

With Dolby Digital decoding, enjoy surround sound simulation from Blu-ray, game consoles and your TV's streaming apps.

Denon Dialogue Enhancer

Denon Dialogue Enhancer improves dialogue intelligibility with three different modes – ideal for movies and TV shows. You can even turn up the dialogue without having to adjust overall volume.

Low-Profile Design and Wall Mountable

At 5,6 cm tall, the Denon DHT-S216 fits in most spaces and can be placed in front of your TV without blocking your TV's bottom edge. It's also easy to wall mount with the included mounting template.

Sound Mode for Any Occasion

With three different sound modes – movie, night, and music, you can choose the perfect mode for any occasion. The Denon Pure Audio Mode eliminates surround processing by removing any adjusted audio characteristics for sound in its purest state.

Easy Setup and User Experience

Quickly connect the DHT-S416 soundbar to your TV with the supplied HDMI cable or via the Optical input. Once connected via HDMI ARC, you can seamlessly control the soundbar volume with your TV remote.

Amazing Sound Built on 110 Years of Innovation

As Japan's first audio electronics manufacturer with a deep legacy of firsts – Denon is the defining audio company of Japan. Founded in 1910, we enable the moments that matter through the relentless pursuit of quality, innovation and audio performance. We innovate for a better experience.
