

## Heavy Bass.

Denon's Urban Raver™ Over-Ear Headphones are contemporarily sculpted, technologically advanced and provide unbeatable sound. Featuring a 50mm driver, an integrated power amplifier and accentuated bass tuning, Urban Raver Headphones will rock your socks off. A rechargeable battery provides 12 hours of pulse-pounding listening enjoyment. But don't worry – should the battery run out of power, you can still listen to music in passive mode. Want to be noticed while you're DJing or walking about town? Activate the blue LED light on Denon's patent-pending control wheel. Denon's control wheel allows for easy control of Apple® iPod®, iPhone® and iPad™, and easy adjustment of the LED illumination (On/Off/Brightness). These headphones also feature an integrated microphone on the ear cup for clear phone conversations. Denon's patent-pending pentagonally-shaped memory foam ear pads, adjustable headband, and two-axis ear cup design (for 360-degree articulation) provide a perfect fit and maximum comfort for long listening periods. Further enhance your listening experience by downloading the Denon Club app, available for Apple® iPhone®, Apple iPad™ and Android® devices.

## Denon headphones Sound Like You, Fit Like You, Move Like You.

Denon Headphones are engineered from the ground up to provide the best-in-class personal listening experience for your lifestyle. Denon's line of Urban Raver headphones are designed for trendy music enthusiasts who like an accentuated bass curve, providing an experience that Sounds Like You™, Fits Like You and Moves Like You, so you can feel the music like never before.
