

**DENON<sup>®</sup>**

**AH-C820W**

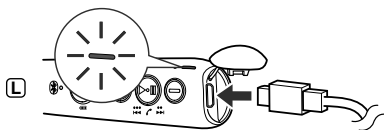

## 1. Charging

Charge this unit using the included USB cable before using.

The battery LED indicates the battery charge status.

- Charging: Lights red
- Charging completed: Lights green

It will take approx. 2 hours from empty to full charge. This unit can be used for approximately 10 hours when the battery is fully charged.

When the rechargeable battery is low, a notification sounds and the battery LED blinks in red at approx. 3 second intervals.

Charge this unit using the supplied USB cable.

- After use, turn this unit off by pressing and holding the power button for 4 seconds or more to keep the battery from draining.

## 2. Pairing with Bluetooth device

Pair this unit with the Bluetooth device you want to connect.

1. Activate Bluetooth function of the Bluetooth device to be connected.
2. With the power off, press and hold this unit's  button for 4 seconds or more. After the Bluetooth LED lights, it blinks in approximately 1 second intervals and this unit enters pairing mode.
3. Select the "DENON AH-C820W" appears on the Bluetooth device to be connected. When connected, the Bluetooth LED on this unit lights for approximately 2.5 seconds.

- If you are requested to enter a PIN code (pass key), enter "0000" (four zeros).

## 3. Playback music
