NOW PLAYING: Instantly control what is playing in every room, view cover art or check the queue for what is coming up next. Create and save playlists.

*Availability of music services may vary by region. Not all services may be available at time of purchase. Some services may be added or discontinued from time to time based on decisions of the music service providers or others. Visit www.HEOSbyDenon.com/music for announcements and details.

KEY FEATURES:

Created for those who demand the very best, HEOS 7 delivers room-filling sound even in large, open spaces.

The stylish and elegant enclosure is packed with advanced technologies, including dual mid-woofers, dual precision tweeters, an active subwoofer and dual passive radiators, and the active drivers are powered by five Class D digital amplifiers. Sound is optimized via a suite of precision DSP acoustical processing algorithms that originated in the recording studio.

- **NEW** Plays high resolution music
- **NEW** Bluetooth® Integrated
- Refined cabinet design with genuine brushed metal accents
